

BANLUE BOOKS

“A publishing house dedicated for easily digested pocket books of all types”

- Banlue Books was founded in order to respond to the increasing readership variety. The focus of Banlue Books is to produce books and pocket books with content that is both interesting and easy to digest.
- Banlue Books strives to bring our readers high quality and entertaining contents.
- The works of Banlue Book, apart from receiving many awards, have gained the interest of many international publishers who bought the rights to our books to be sold in many different languages. We take pride in this success as we have accomplished our goal of delivering happiness to our readers both domestically and internationally.

PRODUCTS

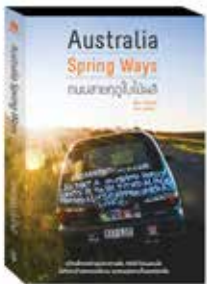

FOREIGN RIGHTS LICENSING
