SALMON BOOKS

“House of Tasty Contents”

- A publishing house that challenges the norm with fresher taste and style

- **Salmon Books (2011)** is a popular publisher among teenagers and many others who are interested in contemporary issues, which are illustrated in fresher perspectives. With the concept of ‘going against the flow’, Salmon Books are committed to producing each book, prioritizing intriguing, factual content and a charismatic signature style that appeals to our readers.

SALMON.
FRESH TO FEST

TCDC x SALMON

• Due to the high popularity among fans, Salmon and Bun have organized their special event **'Salmon Fresh to Fest'** for 2 years now, and received overwhelming feedback from fans.

• Salmon and Bun are frequently invited by educational and government organizations to hold workshops for teenagers interested in content and design works.
